June 22, 1981 Council met in a special session held at 7:00 with ^{all} members present, also attending were County Commissioner Almont Harvey, County Sanitarian Elenore Gustafson and Paulette Havnvik. The west 33 lots of the mobile court will be for sale with covenants and restrictions to be included in the deeds or contracts for sale. These to be recorded with the Roosevelt County Clerk and Recorder. Should these 33 lots be metered separate and rented before the selling of them, the landowner will still be responsible for any water, sewer and garbage bills not paid by the renter.

Alvin Lien wish to protest on the location of this mobile home, saying he felt that it was to close to the highway and that children would likely use the road for a playground. Mr. Lien was assured that a playground or park will be available in the court for children.

Mrs. Havnvik asked the council for approval of the preliminary plat, when the contingents are met. It was the consensus of the council to approve the plat when the signature of the indemnity agreement is signed and copies of the covenants and restrictions are received along with the approval of the opinion of the engineers review.

July 6, '81 Council met in regular session with all members present. Minutes were read approved.

Mayor Reily Ostby from Wolf Point gave council some information on Culligans Multi-tech Clarification and Filtration Systems. The Culligan people to have field personnel and expertise. Mr. Riely asked for some consideration and to keep him in formed of any progress.

Jim Baldwin, Ambulance Coordinator says the sheriffs department has a police band radio available to be put into the new ambulance for about \$900 and this could be paid in stallments if need be. The installations of the radios will be approximately \$300. Skedsvold moved to purchase and install radio. Second by Ray. Motion carried. The from the old ambulance to be installed at the same time. I t was suggested that town council see the legal division concerning codes, legal responsiblilty the town has with this new ambulance and the housing of it. It is was also suggested that representatives of the council, fireman and coordinator meet with the legal council of the hospital-perhaps the billing could be done thru them.

Representatives from Webster, Foster and Weston Consulating Engineers were present to discuss the matter of conflict of interest. Council wishes to have installations done according to engineering spec's. With best efforts, council did not find any engineers available in our area to review the preliminary plat of Sand Creek Estates. Engineering representatives assured the council, they had the best interest inmind for both parties. After a lengthy discussion it was the consensuss of the council not to get into restrictive covenants. Mrs. Havnvik requests a letter of approval on the preliminary plat and asked that at the August 3rd meeting the final plat be reviewed and approved. Council agreed to the approval of the preliminary plat when the indemnity agreement is signed. July 8th has been scheduled to meet with the engineer and the subdividers to discuss water and sewer lines for the Sand Creek Estates. The meeting to held at 8:00 p.m. in the clerks office. ~~Council met in special session with the subdividers of Sand Creek Estates and Steve
Ike, Engineer. Those present were Paul, Oscar, Ray and Arnie.~~

Council met in special session to go over the preliminary plat with changes in the water line. Those present were Paul, Arnie, Ray and Oscar for the council and John Havnvik, Lloyd DeTienne and Steve Ike, Engineer. It was the consensus of all persons here to install one 8" water main thru the full length of the subdivision with the streets being dedicated and named. Each block and lot to be numbered and that each lot to assessed and additional fee to maintain the lift station. Each lot to have metered water and the meters to be furnished by the town. The cost of the difference of the 6" and 8" water line to be paid by the town. This will be of benefit to the entire town when the loop line is completed. The subdividers will assume all other costs.

The subdividers showed interest in declaring an SID for curb, gutter and paving. Estimates and all figures will be presented at the next regular council meeting. With no further business the meeting adjourned.

July 29, '81 Council met in Special Session with Ray Halvorson, Arnie Skedsvold and Gene Vannatta present. This being a special meeting for public participation on Federal Revenue Sharing Funds. Suggestions were to purchase a cat for the land fill, tractor loader and a lawn-garden tractor mower. After some discussion it was the consensus of the council to put fences around some of the town property. A chain link fence around the ~~town~~ lot where equipment and gravel stock pile is. The reservoirs need a woven wire fence with barb wire over it to keep stock out, and to put new heater in swimming pool. The allocations were approximately \$2500. for each project.

Patricia Bradley asked council to reconsider her budget. She felt that she deserved the additional salary. Arnie moved to accept her budget with supplies reduced to \$125.00 and Jurors to \$200, her salary to be \$125.00 a month. Ray second the motion. Motion carried.

Arnie so moved to resolve that a primary election not be held. The population at the last census was 869 and under section 13-14-115 a primary election need not be held. Ray second the motion, ^{motion} carried.

Robb Lemieux went thru the insurance policy with the council. With no further business the meeting adjourned.

August 3, '81 Council met in regular session with Oscar Olson, Arnie Skedsvold, Ray Halvorson, Gene Vannatta and Attorney Hennessey present. Minutes were read and approved.

Morey Berg, Engineer for Mountain Bell - to bury cables from phone office east to 3rd Ave. East and to 7th Street. Cables will be buried 2' to 3' along the curb line.

Greg Johnson, with Interest Consulting Engineers wanted council to know they are in the area (Sidney) and are available should the need arise.

Ambulance is all set up and in use.

Gordon Miller building permit was granted. He would dig to the water line and check to see if the service was still in good shape.

Bill Krall would like to see cemetery lots made of some of the driveways. Gene thought this should be taken under ^{advisement}

Arnie moved to accept resolution ^{ACIA} to buy street and road supplies from the Mont Highway Department. Second by Oscar. Motion carried.

Dan Heckmun requested permission to run the county equipment at the land fill. The consensus of the council was, "should a fire start - call the fire dept."

Not to use the equipment.

Paulette Hanavik, Lloyd DeTienne and Engineer Bryan Beggs express their wishes to create a SID for water, sewer, curb, gutter, and paving for Sand Creek Estates.

Hanavik and DeTienne also wished to waive a public protest meeting for the SID. Oscar so moved to adopt the resolution of intent to create the SID for Sand Creek Estates. Second by Arnie Motion carried.

Moved by Arnie, second by Ray to give final plat approval subject to the recording of restrictive covenant with the Clerk and Recorder and all the necessary signatures on the final plat. Motion carried.

Oscar brought up the questions, "did the town wish to sell water to the rural users or did they want to buy the water from the rural district?"

Consensus of the council to give Webster, Foster and Weston the go ahead to revise the costs of curb and gutter for the north side. Perhaps this area could be done at the same time as the Sand Creek Estates. To have cost estimates both with paving and then just curb and gutter.

After some discussion it was agreed by all parties to have bids ^{published} and opened for sewer and water Sept 1st. at 7:30 P.M. at the clerks office just before the regular council meeting.

Unightly property around town, council to get names and and clerk to letters.

Discussion on Steve Baldwin barrier over blvd. Council to have a look at it.
 Arnie to contact Ed Darr on the sewage coming to the surface near the alley.
 A meeting to be set up with Larsen Const. for bid information on building extension
 to get bid notice published.

August 17th at 7:00 P.M. at the clerks office a special meeting was called to conduct
 a formal hearing for the budget as advertised by the Town Clerk, with all members
 present except Arnie Skedsvold. Whereas, no objections were raised. Now, therefore
 be it resolved by the Town Council of the Town of Culbertson, Montana. That an
 All Purpose levy of 57.88 mills, Capitol Improvement Program of 2.74 mills, Special
 Improvement District Revolving of 2.95 mills for a total of 63.57 mills.

This resolution was duly passed with the following members voting "aye", Paul
 Finnicum, Oscar Olson, Ray Halvorson and Gene Vannatta. The following members voting
 "no" - none and one member absent and not voting - Arnie Skedsvold. This resolution
 was signed and approved August 17th.

With no further business the meeting adjourned.

September 1, 1981 Council met in regular session with Arnie Skedsvold and Clerk being absent. Minutes were read approved. Greg taking minutes for Clerk. Engineer Ike says contracts for SID #10 can't be awarded until State Health o.k.'s project. Ike offering an engineering contract at \$13,900. total covering SID #10 for acceptance. Taken under advisement.

The question change orders etc. can allow town to change project price? Question of Continental Grain hook-up and added cost be tacked onto SID #10 costs?

Bill Krall reported that there are too many roads and after study of plots some roads should be ^{vacated} vacated with appropriate survey markers placed. No markers currently show existing plat. Olson, no official survey is required. SCS survey would be okay. Four roads now there and two would be enough. Who has control of lot sales and records. Krall says he gets repeated requests for lot purchases.

Paul says he will clarify same for the benefit of the Town. *This is on cemetery*
Council directed Steve to show Donald Sylvester, new water commissioner around and the works of the pumps and chlorinator as well as the sewer lift stations and the lagoons.

Discussion with Eleanore Gustafson, County Sanitarian, Town will need temporary license for the coming year because county isn't going to get landfill program this year. Council requested letter of violation by two trailers (Carol Hallgrimson) and asked continued pressure on McMullin. She agreed and will be available for some follow up after she moves to Lewistown.

Need advertising for ~~cont~~ bid 4 weeks prior to sale. Problem with awarding construction contract 30 days without having bonds sold. Can we extend completion date of contract past November 1st. Can extension of \$17,000 project between Continental Grain and Sand Creek Estate be done without bid lettings? Ike says State Environmental Health will o.k. it if it goes on as a change order to with Continental Grain or Sand Creek plan profile.

Eleanor Gustafson says State Health Officer Dayton Alsker won't pass either plan if Town doesn't issue letter listing a starting date and specs. *-(water treatment plant.)*
Bond bid opening at 7:30 p.m. on October 5th, '81 meeting.

Question of getting all parties to a meeting by 9-15-81 to discuss water development. Gene moved and second by Oscar to accept HKM (Mike Alberi) Consulting Engineers contract to do the study on a monthly bases or an annual payment of \$17000.

Motion Carried. Deputy Sanford reported on the Prairie Boggie concert to be held Labor Day. N.D. Law Enforcement is cooperating and apparently it will go smoothly. Questions remains will the bars remain open. If local business don't gouge on prices there shouldn't be any trouble. Bainville fire hall will be law enforcement command center/ There will also be deputies stationed at the Culbertson fire hall. New Deputy Jon Fleck and Montana Highway Patrolman were introduced to the Council.

Eleanore Gustafson said Town can impound vehicles and hold for thirty days under "police power", then can be disposed of. Sanford has Joe available to get vehicles hauled to Wolf Point in exchange for stripping parts etc.

Why local vehicle graveyard is still being used when County has one official graveyard? Joe's wrecker bill can be satisfied first if someone other than Joe puts in a bid. Moved by Gene Second by Ray to accept Larsen Construction bid or the extension of the Town building.

Gene moved and second ed by Ray to grant request from the Volunteer Firemen for the old ambulance. Motion carried. Moved by Gene to have Viola Go the the Montana League of Cities and Town convention in Billings. Second by Ray. Motion carried. It was the consensus of the council to recommend Eleanor Baldwin to fill the vacancy of Mrs. Kathryn Garbe at the Library but felt the job should be advertised.

October 17:30 P.M. in clerks office council met to receive bid openings for SID #10. No bids were received. Perhaps in the spring another bond bid would be let.

8:00 P.M. Council met in regular session with Gene Vannatta absent. Minutes were read and approved.

Dolly Anklam requested permission to build closer to the property lines: then 10' stated in the ordinance. Oscar moved to change the ordinance to 3' with a notarized statement from the neighboring property owner. No second to the motion, Request denied.

Maude Schuetze is going to have 2 24" culverts put in the dike north of town so it will be easier to move machinery over. She asked the town to move the weeds and grass on it. Dutch to do this as soon as possible.

Mrs. Wolschagel said three applications were received for the librarin postion.

Kozak from Poplar, Ruth Lambert and Eleanor Baldwin from Culbertson. Thresa Moen and Oscar Olson terms on the library board have expired. With recommendations from the library board, Moved by Ray to have Eleanor Baldwin fill the position of librarian and appoint Evelyn Casterline and Oscar Olson to the Board of Directors. Second by Arnie and motion carried.

Don Wolschagel, Supt. of Schools asked permission to put 2 portable 4-way stops at the interesections south of the school. Oscar moved to allow this as long as the school would be responsible to move and remove these signs. Second by Ray, Motion carried.

Mr. Wolschagel asked for a letter of support from the council to move the 25 MPH sign out to the city limit to slow traffic for the children coming from the two trailer courts. Moved by Arnie, second by Oscar to do this. Motion carried. Arnie Skedsvold moved to sell water to Continental Grain at our commercial rates and the meter to be placed after the T near the propane tank which is close to the facility. Second by Ray Motion carried.

Consensus of council to go with the county crew. Police magistrate, juvenile officer and town attorney to go thru the ordinance.

Lee Arvill requesting a building permit. Permit granted.

Roger Ashely and the Rural Water Committee gave council a run down on the progress they have achieved. The area includes Fort Kipp to Homestead along Sheridan County line to near the N. Dak. border down to Highway # 2 and west to Culbertson. There are a few people south of highway # 2 near Culbertson that are interested in rural water. The Committee is encourage mutual agreement and financing of the project and would like to be kept informed on any progress the town makes concerning sale of water to them.

Moved by Ray, second by Arnie to pay \$50.00 to Dan Heckmun for the use of his equipment and time spent in cleaning up the dump. Motion carried. Paul to call Almont Harvey about equipment to clean up the site and to dig another pit. Arnie moved to sweep the hospital parking areas. Second by Ray, Motion carried. Ambulance Coordinator Jim Baldwin resigns. Clerk has all material turned in by Baldwin. Clerk made council aware that their isn't enough time in her schedule to accept this task.

Dutch reports valves need cleaning and painting, roof leaks at the sewer lift plant. At the River Pump house, all controls are wet, need something to remove all the moisture. Dutch to visit with the Williston Water Dept Engineer, he may have some solutions. Call Mark and Romie Ellerkamp to repair the roof at the sewer lift station. It was the consensus of the council to remove the hydrant at the corner of Rasmussens and put in a new one and repair the one at Conoco with parts from the one taken from Rasmussens.

On the Landsrud claim, to pay for everything but the meal. Motion by Ray to pay Steve \$9.00 a hour from 8-1-81 thru 9-23-81. Second by Arnie. Motion Carried. When Steve comes back to work as part time, he will receive 7.00 per hour. This was Steve's suggestion.

November 2, '81 Council met in regular session with all members present. Minutes were read approved. Supt. Wolschagel requested permission to put the 4-way stop signs on corner posts during the school year and then remove them during the summer. A letter to be written to Highway Safety Committee to see if this would be feasible. The Supt. expressed, the school district would like to annex the property north of highway scale house and between old highway # 16 and the present highway # 16.

It was the consensus of the council to have Landsrud install a monitor for the Crisifulli Pump.

Loren Schledewitz, representative of the Culbertson Saddle Club, says they are going to put in a dike across the north end of their property to divert water from coming across their arena.

Moved by Gene Vannatta and Second by Ray Halvorson to appoint Arnie Skedsvold as Ambulance Coordinator. Motion carried.

Moved by Ray, second by Gene to advertise for Garbage Collector bids to be opened December 7th at the regular council meeting. Motion carried. Several changes in the contract - to increase contract at a rate of 5% when an additional 5% pickup is made. This 5% increase is of initial bid. This 5% increase is to compensate for additional growth thru the one year term of the contract. These figures are based on 460 pickups. This contract is also to include a 5 year clause, should it be necessary at the end of a five year period the Town can collect the garbage without any special hearings with the Public Service Commission.

Dutch Sylvester to attend the Rural Water Seminar in Great Falls the 13th and 14th. He will be leaving about noon on the 13th and back to work on the 16th. Steve Baldwin to pinch hit in Dutch's absence.

Meeting schedule at 8:00 P.M. in the clerks office with HKM Engineers Nov. 9th on the different filtration systems.

Aene Vannatta Mayor *Viola E Gustafson* Cler,

December 7th, '81 Council met in regular session with Gene Vannatta chairing the meeting and Ray Halvorson, Oscar Olson and Attorney Hennessey in attendance. Paul Finnicum, Mayor came in about 8:45 P.M. Minutes were read approved. Council received one bid on garbage contract. The bid for \$25,800 with proof of insurance and performance bond by Steven D. Baldwin.

Steve has an MRC license for the use of two trucks. Moved by Oscar, second by Ray to take the bid under advisement. Motion carried.

Moved by Ray, second by Oscar to accept the election canvas for Mayor and Alderman
for Mayor - Paul Finnicum received 148 votes, Dr. Bell with 99 votes. Ward I - Adlerman - Oscar W. Olson with 45 votes, Larry D. Rasmussen 72 votes. Ward II - Verle L. Lambert with 84 votes and Gordon W. Miller with 46. Motion carried.

Dutch Sylvester reported on the workshop held in Great Falls. There is money available thru H. B. #406 for water improvements.

Paul to contact HKM Engineers concerning this H.B. #406 *money*

New pit needed at landfill. After some discussion it was the consensus of the council to charge a \$5.00 a truck load fee to help cover the cost of covering. This is for pipeline companies and others with a large amount of refuse or rubbish.

Moved by Ray, second by Oscar to increase the commercial garbage rates in accordance to the volume of garbage, refuse and rubbish, with a base rate at \$5.50 up to \$45.00 for a three times a week pickup. The rates to go into effect January 15th 1982. Notice to be published and protests to be read and heard at the regular January 4th meeting. Motion carried.

Moved by Ray, second by Oscar to accept the agreement with the Senior Citizens concerning the All Purpose meeting room. Motion carried.

After some discussion Ray moved to accept the Steven D. Baldwin garbage bid for \$25,800. Second by Oscar, Motion carried.
