

January 3, 1983

Council met in regular session with the following present. Mayor Paul Finnicum Councilmen Verle Lambert, Arne Skedsvold, Ray Halvorson and attorney Greg Hennessey. Minutes were read approved. Moved by Arne Skedsvold to accept Steven D. Baldwin's surety bond. Second by Verle Lambert. Motin carried unanimously. Freddie and Patti Gangstad representing Flying J Inc. appeared before council requesting an off premise beer license. The ordinance requires a written request with the \$50,00 license fee. The council also wanted a copy of the State license. The application to state that only mfg. packaging be sold. Ambulance coordinator Jack Scotson wished to have a county wide program be considered by the council. One county wide coordinator be in charge of all ambulances in the county. It was the consensus of the council to stay loose on this for now. Scotty to visit with Arne Skedsvold and perhaps call the County Commissioners on this.

Dog licenses are now available. People are piling snow over the fire hydrants while clearing the drives. Council request that snow be piled on their own property. Lois Olson to work at the clerk's office while clerk attends the CDBG meeting in Great Falls Jan. 11th thru 14th.

Attorney Hennessey to check on land owners for property annexed by DeTienne and Havnvik. It was the council's feelings to have the attorney proceed with the legality on the water line that was agreed upon at the time of annexation of West Sand Creek Estates. No further commitment to Sun Oil Production until this is ironed out.

Moved by Arne Skedvold to approve a \$3000. expenditure for water line. Second by Verle Lambert. Motion carried unanimously.

Moved by Ray Halvorson, second by Arne Skedsvold that no building permits be signed until they have been presented at a council meeting and have been reviewed by all members. Motion carried unanimously.

Attorney Hennessey to write Jim Baldwin concerning his sun deck and boundaries. A meeting to be set up with Sheriff Mahlum. To invite Bainville and Froid Councilmen. to be held at 7:00 P.M. in the clerk's office.

Pledges were reviewed and found to be sufficient.

February 7, 1983 Council met in regular session with the following present, Mayor Paul Finnicum, Councilmen Verle Lambert, Ray Halvorson, Larry Rasmussen, Attorney Greg Hennessey. Minutes were read approved.

Durch Sylvester reported on the water and sewer functions. Everything in working order. Did shut down No. #1 pump at the lift station due to a rattle. He made council aware of the need for a valve where Continental Grain ties into the main line. Without this valve should a problem arise on this line, water could siphon back into the main line from the plant.

Deputy Sheriff Sanford reported on the radar gun costs and the rabies in Eastern Rosevelt County. Moved by Verle Lambert, second by Ray Halvorson to spend \$350.00 towards a new radar gun. Motion carried. A rabies clinic to be set up if possible. Moved by Ray Halvorson, second by Larry Rasmussen to renew Al Heupels pasture lease, The lease to be the same as it has been. Motion carried.

Mrs Segars reported on grants for the pool. Should know by the middle of April on Burlington Northern and BOR grants. Pool Committee to meet with Engineer Steve Ike Thurs. at 1:00 P.M. at the clerk's office to discuss needs and priorities. First of May repairs and / or replacement of pipe, filter, soda ash machine, and to get pool blanket ordered if needed.

Women's Club representatives Daagmar King and Annetta Larsen asked permission to paint and do some repairs on the the Library building. It was mentioned the old bldg is in need of many repairs and perhaps a grant would be available to restore the historic bulding. There also seems to be a very strong order in this building. Dutch and Doug to check this out first thing in the morning.

The Sr. Citizens are concerned about a legal agreement for the multi-purpose or community room. They have some ideas as to what they would like in the agreement. Who will be responsible for their equipment and cupboards when rented to others for meetings etc. What about some draperies? After some discussion council asked Attorney Hennessey to give this some thought and give council some ideas on this matter.

Mrs. Gluesing has asked council to please do something about the vehicles parked in the alley way blocking it off. Sometimes she can neither get in or get out. This is creating quite a hazard.

Moved by Larry Rasmussen to amend the building ordinance to permit construction of unroofed decks stair ways to within 5' for the property line. SEcond by Ray Halvorson Motion carried. Jim Baldwin given until July 1st to cut his deck and steps to 5' of the property line. After some discussion Ordinance #146 should be clarified or amended as to the meaning of the word vacancey.

Mayor Paul Finnicum to get letter of commitment from Culbertson Implement Co, and Sun Oil Production for water line extension. The repair for town water well to be tabled until more information is received.

Moved by Larry Rasmussen, second by Ray Halvorson to have Clerk attend the Continuing Education workshop in Bozeman - March 20th thru the 26th. *Motion Carried*

March 17, 1983

A special meeting was called to order at 6:00 P.m. by Mayor Paul Finnicum to interview the three consulting engineering firms selected. Those present were Ray Halvorson, Larry Rasmussen, Arne Skedsvold. Absent was Verle Lambert. H. K. M Associates were in at 6:00 P.M. and gave their presentation on the qualifications for the job. Questions as to fees were discussed. Should they be award the project fees would be negotiated at the appropriate time. HKM Associates would be ready to start the project immediately. Firm Rep's were A. T. Kersich P.E., Michael R. Alberi P.E. +

Tom Eggensperger. Morrison-Maierle Inc. gave their presentation on qualifications. Question on fees was asked and they felt that if they were awarded the project they too would be able to negotiate at the appropriate time with a better idea as to what administrative work need to be done with the HUD Program. Timothy Berry and Willis J. Wetstein P.E."S.

Continued.

Those ^{new} Dean and Hoskins, Inc gave their presentation and are more than willing to help administer the Block Grant and carry out all the necessary paperwork. They were quite fimalar with work in the Missouri River intakes, having done work for Great Falls, Fort Benton and some others. Questions were raised on their fees and they too felt that this could be negotiated at the appropriate time.

Council pondered and discussed the fee plans as well as the qualifications and decided to ask the three firms on a more detailed scope and fee schedule and this to be taken up at the April 4th regular council meeting. Some inquiries to other cities to be made on how they got along with the firms.

With no further business the meeting adjourned.

April 4, 1983 Council met in regular session with Mayor Paul Finnicum, Councilmen Verle Lambert Ray Halvorson, Larry Rasmussen and Attorney Greg Hennessey present.

Minutes were read approved. William Krall asking about closing streets and alleys at the cemetary again. Surveying will have to be done, new maps made when funding is available.

There approximately 5000' of cracks in the air strip. LaVern Schledewitz and Dennis Elgin said estimates were \$4500.00. Moved by Ray Halvorson to go 1/2 of the repair expense. County to pay the rest. Second by Larry Rasmussen. Motion carried unanimously. Dump ground to be locked. Only open on designated days. Wed. Sat. & Sun from 3:00 P.M. to dark. Howard Gobbs and Steve Baldwin to be contacted to open and close dump ground. Coal vein should be dug out and back filled to avoid a coal vein fire should the pit catch fire.

Gene Vannatta and a representative from Sun Oil Production and Monte Meiers, Engineer discussed at length the water line from county road to the town limit. Sun Oil Production and Gene Vannatta agreed to put in a 6" water line. The town has agreed to pay the difference of a 6" line to an 8" line. Moved by Ray Halvorson and second by Verle Lambert to have Interstate Engineering do the plans for the town portion of the link from Vannatta's property to the Town's 8" water line for a fee of \$500.00.

Amended motion to be Interstate Engineering to do engineering and plans for this fee. Motion carried unanimously. The Town council was in full agreement to sell water to Sun Oil Production and Gene Vannatta. Pipe to be used is C100 for this project. Loretta Segars, pool representative and Steve Ike, engineer went thru the scope and discussed the contract for the pool project. Mrs. Segars says the BOR grant has been approved by the State but need final approval on the federal level. Matching funds cannot be spent before final federal approval. Moved by Larry Rasmussen to get local proposal to repair pool. Verle Lambert second the motion. Ray Halvorson voted Aye. Motion carried.

I pool applications received - Robert Hatcher & Joan Peterson.

Since Doug Finnicum now has more responsibilities, Ray Halvorson moved to increase Doug Finnicum's wages to \$6.00 an hour beginning March 1st. Larry Rasmussen second the motion. Motion carried unanimously.

Moved by Ray Halvorson to send a letter of intent to the Roosevelt County Commissioners for the solid waste district. The option to ~~be~~ used ~~in~~ table IV with 5 dumpsters sights at \$45.52 per unit per yard. Second by Larry Rasmussen, Verle Lambert voted "aye". Motion carried.

Going thru the engineering statement of scope and fees for the three firms selected for the water filteration propject. Mayor Finmicum made calls to Tom Thomas and Mike Alberi to have them further explain their costs. Tim Berry 's letter pretty well explained their costs. The hour getting very late Ray Halvorson moved to adjourn the discussion until April 5th at 6:30 P.M. in the clerk's office. Second by Larry Rasmussen. Verle Lambert voted "aye". Motion carried.

April 5th, 1983 6:30 P.M. Council met in special session. Those present Mayor Paul Finnicum, Councilmen Arne Skedsvold, Larry Rasmussen, Ray Halvorson & Gerald to make a decision of the engineering firm to do the water filtration project. Schlager P.E. With conference phone Mayor Finnicum called Public Works Directors and Contractors that may have been associated with projects of these engineers. These three firms have done favorable work. With Thomas Dean & Hoskins extra costs keep cropping up, and the difference in costs made council feel that TD&H may have been using a different scale. Morrison-Mairele were having some paper work difficulties in the Sidney area. After considerable phone calling and time spent on a decision Ray Halvorson moved to accept H.K.M. Associates as the engineering firm to do the work. Second by Arne Skedsvold. Those voting "aye" Arne Skedsvold, Ray Halvorson, Paul Finnicum. Larry Rasmussen was called to work so he and Verle Lambert were notified of the conversations the next morning and both Verle Lambert and Rasmussen voted "aye" to this motion. So everyone was in agreement.

DEPARTMENT OF PUBLIC SERVICE REGULATION
BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MONTANA

* * *

IN THE MATTER Of The Application)	
Of The TOWN OF CULBERTSON For)	UTILITY DIVISION
Authority To Adopt Increased)	DOCKET NO. 83.5.35
Sewer Rates.)	DEFAULT ORDER NO. 5006
_____)	

On May 5, 1983, the Town of Culbertson (Applicant) filed an application with the Montana Public Service Commission for an order authorizing the Applicant to increase its sewer rates to provide revenues to defray increased costs of operation and to maintain and repair existing systems.

Having considered the application and the documentation furnished by Applicant in support of its application and deeming itself fully advised in the premises, the Commission makes the following Findings of Fact and Conclusions of Law:

FINDINGS OF FACT

1. A Notice Of Opportunity For Public Hearing to be held, if requested, was published in the June 12, 1983 edition of the Billings Gazette and the June 16, 1983 edition of the Culbertson Searchlight. The notice stated that if no requests for a public hearing were received by July 12, 1983 an appropriate order may be issued based upon evidence submitted with the application.
2. No protests or requests for public hearing were received and no hearing was scheduled.
3. On May 2, 1983 the Town Council of the Town of Culbertson passed Resolution No. 206 setting sewer rates at the proposed

level.

4. The Town alleges it needs additional revenue to provide for increased costs of operation and to repair the existing system.

5. The Town anticipates that the proposed rates will increase annual revenues by approximately \$11,500.

CONCLUSIONS OF LAW

1. The Commission has jurisdiction over parties and proceedings in this matter.

2. The resulting rate levels are reasonable and just.

ORDER

1. The rates as set forth in Appendix "A" attached and by this reference incorporated herein are authorized.

2. These rates shall be effective for all sewer services rendered on and after July 25, 1983.

DONE IN OPEN SESSION at Helena, Montana on July 25, 1983 by a 5-0 vote.

RESOLUTION OF THE TOWN OF CULBERTSON ESTABLISHING
CONDITIONS FOR A GRANT FROM THE WATER DEVELOPMENT
PROGRAM FOR THE DEPARTMENT OF NATURAL RESOURCES AND
CONSERVATION

WHEREAS, the Town of Culbertson has received approval from the 1983 Legislature for a \$100,000 grant and a \$100,000 loan from the Water Development Program of the Department of Natural Resources and Conservation to partially finance a \$1.3 million water intake and treatment system for the town;

WHEREAS, the Town of Culbertson has received approval of the 1983 legislature for a \$704,000 loan for the project financed with the proceeds of coal severance tax bonds;

Whereas, the Town of Culbertson was awarded a Department of Commerce CDBG grant of \$400,000 for the project;

WHEREAS, the administrative rules for the Water Development Program require that projects for which loans or grants are made be financially feasible; financial feasibility being if sufficient funds can be made available to complete the project;

WHEREAS, the constitutionality of the coal tax severance bonds is currently under consideration by the Montana Supreme Court;

WHEREAS, the Town of Culbertson will forfeit their grant from the Montana Department of Commerce CDBG program unless these funds are used by December, 1984:

WHEREAS, the Town of Culbertson desires to enter into an agreement with the Department of Natural Resources and Conservation for the grant portion of their approved financing package to complete final design plans and specifications in early 1984 so as not to forfeit any of their approved financing.

NOW, THEREFORE BE IT RESOLVED, that the Town of Culbertson agrees to the following conditions for incorporation into a grant agreement with the Department of Natural Resources and Conservation;

That other financing be pursued to the full extent of the Town's financing capability should the coal severance tax bond authority be determined to be unconstitutional,

That the grant to finance the final plans and specifications be converted to a loan should the project be unable to be substantially completed by the end of 1985 construction season,

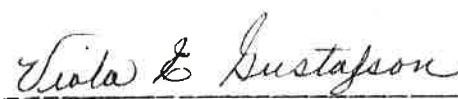

That a mechanism be developed to amortize the loan within a period not to exceed 30 years should the grant be so converted.

PASSED and ADOPTED by the Town Council of the Town of Culbertson, Montana, and APPROVED this 7th day of November, 1983

Mayor Paul Finnicum

ATTEST:

Viola E. Gustafson, Town Clerk

November 21, 1983 A special meeting was called to discuss the garbage contract with Steven Baldwin and the possibility of a new pickup for the water department. Those in attendance were Mayor Paul Finnicum, Councilmen Arne Skedsvold, Larry Rasmussen, Ray Halvorson, and Verle Lambert.

After discussion about the lesser amount of pickups now then one year ago, council felt that a raise in garbage contract was somewhat high and asked to negotiate with Steven D. Baldwin. Steven D. Baldwin's bid for collecting garbage, refuse and rubbish was the only one received. Arne Skedsvold moved to have accelerating clause of 5% as well as a 5% declining clause in the contract of the total pickups as of January 1, 1983 when the new contract becomes ~~effective~~ ^{effective}. This to raise or lower bid contract amount. This is in full agreement with Steven D. Baldwin. The base of the contract bid to be \$28,800. per year. Ray Halvorson seconded the motion. The motion carried unanimously.

After some discussion concerning another pickup ^{Truck} for the water department, it was the consensus of the council to repair the old pickup for this time. With no further business the meeting adjourned.

November 7, 1983 minutes continued.

Bids for Garbage collection . One bid was received from Steven D. Baldwin with all the necessary requirements. The 1984 bid was for \$30,000 and optional bid for a once a week pickup for the residential area was \$26,000. Ray Halvorson moved to take bid under advisement. Second by Verle Lambert. Motion carried unanimously. Building permits from Mark Ellerkamp was granted. A permit from Douglas Thomsen for a carport was granted with a variance agreement signed by both Douglas Thomsen and LeRoy Timms that when Douglas no longer lives there, the carport shall be removed. Douglas Thomsen is handicapped.

December 5, 1983 Council met in regular session with Mayor Paul Finnicum, Ray Halvorson, Verle Lambert, Larry Rasmussen and attorney Greg Hennessey present. Jack Scotson, Ambulance Co-ordinator request permission to paint "Culbertson Ambulance on the vehicle. After some discussion council agreed to this, but to also have Roosevelt County on it. The ambulance crew would like to have a fund raiser by raffeling off an afagh or star quilt and for ambulance service ~~given~~. This is to be used for training. Consensus of the council was no free ambulance services but they could raise money by raffeling a quilt or afagh. The ambulance people would also like to show a movie on EMT for the council at the regular March meeting at 7:30 P.M. They would like a light installed over the walk thru door so the door will be easier to unlock. Moved by Larry Rasmussen, seconded by Ray Halvorson to install two overhead lights with photo cells over the ambulance door and the Multi-purpose Center door. Motion carried unanimously. The deputies from the Sheriff's department would like a security light put up at the rear of this building. Mayor called M.D.U. Co. representative and a street light will be installed on existing pole. This will be billed thru the street lighting. Pledges were reviewed and signed. Insurance policy reviewed. Books to be insured at price quoted and the building insurance was discussed. Need to visit with Rod on bldg valuation and premuim. Moved by Ray Halvorson, seconded by Verle Lambert to have Larry Rasmussen order a pool cover. Motion carried unaminously. continued next page
