

January 3, 1989. The Culbertson Town Council met in regular session with the following present: Edwin Bertino, Dave Plummer, Larry Reitz, Gordon Miller, James Baldwin, Greg Hennessy and Raedelle Aspenlieder. The minutes of December 5th were read and approved.

Boy Scout, Kevin Miller attended as he is working on a badge.

Snowmobiles. Clerk was instructed to put a notice in the paper stating that snowmobilers are to take the shortest route out of town and that riding snowmobiles in town parks is prohibited and offenders will be cited.

Easement-State Highway Dept. An Easement/Use Permit was granted, and signed by the mayor and all 4 councilmen, to the Montana Department of Highways to use a tract of land three feet wide by fifteen long for the erection and maintenance of a traffic control guide sign. The location is the west boulevard of Third Avenue East and Highway 2. Clerk will have the easement filed at the Roosevelt County Courthouse.

Federal Revenue Sharing Funds. Larry Reitz made a motion to adopt a Resolution of Intent to obligate the Federal Revenue Sharing Fund for a second pick-up, truck, diaphragm pump and a light plant. The fund will be expended in a reasonable amount of time. Gordon Miller seconded the motion. All voted in favor of the motion. MOTION CARRIED.

Landfill. Lynn reported everything is O.K. at the landfill. The dirt pile will last approximately 1 to 1½ months. Landfill hours for January and February are from 1:00 - 3:00 p.m. Lynn intends to burn the pit at the landfill soon. The county sanitarian, hospital and fire department will be notified prior to burning.

Doug will build his own ventilation fan for much less than purchasing a man-hole ventilation fan. The council encouraged him to get it done.

SID #6. Gordon Miller made a motion to call in all SID #6 outstanding bonds and to cease assessments in 1989. Larry Reitz seconded the motion. Those voting in favor of the motion: Gordon Miller and Larry Reitz. Opposed: Dave Plummer. Not Voting: Edwin Bertino. MOTION CARRIED.

Clerk was instructed to write to the 3 banks in Sidney in regards to interest rates on CD investments.

Fixed Assets. There was discussion on fixed assets. Larry suggested that asset items purchased at a cost \$500.00 or more be placed in fixed assets.

The Lamplite Store asked if they needed to have a building permit approved to remodel the inside of the building. They are not required to have a building permit approved by the Town Council. Clerk was asked to write a letter to the County Assessor and inform him of the improvement.

Property and Supply Bureau. Dave Plummer made a motion to adopt a Resolution authorizing A. Douglas Finnicum, James Baldwin and Raedelle Aspenlieder to purchase federal surplus property from the State of Montana, Property and Supply Bureau for the Town of Culbertson. Gordon Miller seconded the motion. All voted in favor of the motion. MOTION CARRIED.

General Journal Vouchers. General Journal Voucher #85 was approved and signed.

January 3, 1989 cont.

Energy Grant-Fire Hall. The council reviewed the suggestions, for energy conservation at the fire hall, from the Montana Local Government Energy Office. In addition to installing new weatherstripping on the doors, a high efficient furnace will be installed. Lloyd Aspenlieder will get the specifications so the 3 businesses in town can all bid on the furnace and duct work.

Raedelle Aspenlieder

Clerk

J. E. Baldwin

Mayor

February 6, 1989. The Culbertson Town Council met in regular session with the following present: Edwin Bertino, Dave Plummer, Gordon Miller, James Baldwin, Greg Hennessy and Raedelle Aspenlieder. Larry Reitz arrived later. The minutes of January 3, 1989 were read and approved.

Senior Citizens. Senior Citizen members Louise Cooper, Lucille Olson and Edward Anklam attended the meeting. They requested the Town Council reduce the monthly rental for the Community Center from \$100 to \$50. They explained the County has cut the Senior Citizen Program budget. Dave Plummer made a motion to reduce the Senior Citizen rent to \$50.00/month, effective February 1989. Edwin Bertino seconded the motion. Those voting in favor of the motion: Dave Plummer, Edwin Bertino, Gordon Miller. Absent and not voting Larry Reitz. MOTION CARRIED.

Park Renovation. Jim reported on the meeting held in regards to the park improvement project. The Chamber voted to make use of the \$4337.30 that is in the 75 Jubilee account by putting it back into the community. The Women's Club will head the program and also donate around \$600. The Cottonwood Club will be involved and Boy Scouts will plant trees. Other interested organizations were the American Legion Auxiliary, Lions Club and FFA Chapter. The Council is willing to work with the group, but encouraged them to consult water commissioner Doug Finnicum as he is aware of the location of underground sprinklers and water lines. The Council agreed to obligate \$1000. out of the FY 1989-90 budget.

Maynard Cellmer would like to retire as of now. He said he would be available to work on a contract basis when the weather warms up. The Council said it would be up to Doug to line Maynard up. The Council decided to advertise for a full-time assistant city maintenance man. Jim will work up a job description. This will be advertised in the paper for 3 consecutive weeks.

Burlington Northern Depot Closing. The Council was asked if they would be interested in a reopening of the record concerning the closing of the Burlington Northern Depot in Culbertson. The Council does not wish to pursue this.

Judge Pat Bradley passed along some information coming up in the State Legislature. HB493 would charge criminals to fund county jails. This would change the present surcharge for county attorneys to \$20 in misdemeanor offenses and \$45 in felonies. This would adversely effect City Courts as they would have to keep a separate entry on their ledgers to dispose of  $\frac{1}{2}$  of the \$20 to the County Treasurer for the maintenance, etc. of the county jail. This means that \$10 would stay in the city and \$10 would go to the county. Judge Bradley asked the council to send a letter to our legislator to oppose this bill. Jim will send the letter.

Ambulance Shed. The council decided to just have Doug adjust the springs and install the motor for the garage door opener on the ambulance shed.

Mayor Baldwin presented plaques to Leo Waldhausen and Greg Hofman in appreciation for their service and dedication on the Volunteer Ambulance Service for over 20 years.

Lighting Refund. There has been an error made on 4 of Bernie Finnicum's properties on the street lighting assessment for the past 2 years. (See copy attached for property descriptions.) Gordon Miller made a motion to refund 1987 & 1988 street lighting assessment on these 4 properties. Larry Reitz seconded the motion. All voted in favor of the motion. MOTION CARRIED.

March 6, 1989. The Culbertson Town Council met in regular session with the following present: Edwin Bertino, Dave Plummer, Larry Reitz, Gordon Miller, James Baldwin, Greg Hennessy and Raedelle Aspenlieder. The minutes of February 6, 1989 were read and approved.

Landfill. Landfill hours for March are from 1:00 - 3:00 p.m.

Control of Dogs and Cats. Dave Plummer made a motion to adopt Ordinance No. 162 amending Town Code Chapter 8.04 Control of Dogs and Cats section 8.04.140 Violation; Penalty to read: Any violation of or failure to comply with any of the provisions of this chapter is punishable under section 1.10.010 General Penalty. Gordon Miller seconded the motion. All voted in favor of the motion. MOTION CARRIED.

Town Leased Property. Clerk was instructed to write Alfred Heupel a letter in regards to his lease agreement with the town and bill him for the amount due. Gordon will talk to Lloyd Aspenlieder about the arrangements that were made on the town property he occupies. Greg will also research his files for a lease agreement with Lloyd Aspenlieder.

CD Investments. Clerk gathered information from area banks for interest rates on Certified Deposits for different increments and time periods. Clerk will request interest rates from the First State Bank of Froid. Gordon Miller made a motion to have the clerk let the Culbertson State Bank have the opportunity to match the highest CD interest rate quote on \$500,000 for 60 days. If the Culbertson State Bank cannot match the rate, then invest the \$500,000 in a CD for 60 days in the bank with the highest interest rate quote. Edwin Bertino seconded the motion. All voted in favor of the motion. MOTION CARRIED.

March 6, 1989 cont.

Floodplain Ordinance. Gordon Miller made a motion to adopt Floodplain Management Ordinance No. 163. Larry Reitz seconded the motion. All voted in favor of the motion. MOTION CARRIED.

General Journal Vouchers. General journal vouchers #90, 91, 92 and 93 were approved and signed.

Swimming Pool. Last years pool manager made a list of items needed for the swimming pool season 1989. Doug was instructed to check over the list and take care of the necessary items. Clerk will put a notice in the paper advertising for employment applications for a manager, assistant manager, basket person and lifeguards. All applications due to the City Office by April 3, 1989.

Parks Grant. Clerk was instructed to fill out the necessary forms for a grant from the Montana Department of Fish, Wildlife and Parks for the town parks.

Surplus Supply Bureau. Jim will stop in at the Surplus Supply Bureau the week of March 12th to look for a pick-up. Council decided to add Fire Chief Robert (Mike) Hampson to the list of authorized agents for the Town of Culbertson.

Clerks Institute. Pat Rowe will be in the clerks office March 13th-17th from 1:00 - 5:00 pm while Raedelle is at the Clerks Institute in Bozeman.

Council agreed to pay Maynard Cellmer \$6.43/hour for contracted labor. Doug will line Maynard up for work.

Dog Violation Door Hangers. Animal control will be handled by authorized persons identifying the dog or cat and the owner and filling out a Complaint And Notice To Appear door hanger. The owner is then ordered to appear in city court. Violators are punishable under section 1.10.010 General Penalty of the Town of Culbertson Code Book.

Position Opening-Maintenance Worker. Clerk was instructed to advertise in the paper the position of a maintenance worker. Applications and Job Posting Notice can be picked up at the Town Clerk's Office and must be returned along with a resume' by April 3, 1989.

There was some discussion on the location of a sewer main on the property Nancy Hjelm plans to purchase and build on. Raedelle is to call the State Building Code Office and ask about building over a sewer main and the codes on location of water line to sewer line.

Joe Wilkerson, Pastor of First Baptist Church, attended. He expressed his interest in making a Town Directory and would like the council to back him on this project. The council did not wish to endorse this, but said they could not stop him from doing it on his own.

Order of Business-Council Meeting. Dave Plummer made a motion to adopt Ordinance #164, an ordinance amending chapter 2.06 of the Culbertson Town Code to change the Town Council Order of Business, section 2.06.080 Order of Business. Larry Reitz seconded the motion. All voted in favor of the motion. MOTION CARRIED.

March 6, 1989 cont.

Landfill Crawler-Air Conditioner. Dave discussed the cost to install an air conditioner in the landfill crawler. The cost would be \$2000.00 if Dave installed it. Larry Reitz made a motion to purchase the air conditioner for the landfill crawler at a cost of \$2000.00 and have Dave install it. Dave Plummer seconded the motion. All voted in favor of the motion. MOTION CARRIED.

Landfill. Lynn reported he is in need of more dirt at the landfill. Lynn will contact LaVern Schledewitz and Larry said he would talk to Allen Pedersen.

April 3, 1989. The Culbertson Town Council met in regular session with the following present: Edwin Bertino, Dave Plummer, Larry Reitz, Gordon Miller, James Baldwin, Greg Hennessy and Raedelle Aspenlieder. The minutes of March 6, 1989 were read and approved.

Gene Schmitz, property owner of 120 3rd St. W. attended. Gene said his bill is currently \$708.40 and he wanted to verify that this is the amount that would have to be paid before the water would be turned-on on this property. The council explained the new hook-up fee is \$450.00 until January 1, 1990 then it will be \$500.00. If the property owner chooses to pay the new hook-up fee vs the current amount of the bill the monthly charges of \$15.40 begin again at the time the new hook-up fee is paid. A new tap in the sewer main is \$150.00. There is also a \$25.00 turn-on fee and a \$50.00 deposit required prior to turning the water on. Property owners are also responsible for the repair and maintenance of the curb stop. Gene requested a letter explaining this. Clerk was instructed to write him a letter stating the above.

Landfill. Lynn said the road to the landfill is in need of more scorio. The road to the landfill off Highway 16 could use a culvert. Jim will talk to LaVerne Schledewitz about this and about digging a new pit this fall. Lynn was instructed to turn violators of the tarp law away at the landfill gate. The council discussed putting the maintenance of the landfill and the garbage collection under one contract. Landfill hours effective April 1 are from 1:00 - 4:00 p.m. on Saturday and Monday.

Pet License. Dave Plummer made a motion to adopt Ordinance #165 effective January 1, 1990 amending section 8.04.020 License Requirements; Fees. Every person registering a male or spayed female dog or cat shall pay therefore the sum of five dollars (\$5.00). Every person registering a female dog or cat shall pay the sum of fifteen dollars (\$15.00). Gordon Miller seconded the motion. All voted in favor of the motion. MOTION CARRIED.

Board of Plumbers. The council received a letter from the Board of Plumbers in regards to our previous request to allow Brien Larsen to work as an apprentice under LeRoy Larsen. The letter stated, "It is the Board's opinion that it is up to the Apprenticeship & Training Bureau, not the Board to approve apprentices. The Board would hope that the Bureau would continue its past practice and only indenture apprentices to licensed master plumbers. The Board is not in favor of extending the licensing exemption in Culbertson to include Brien Larsen as they feel there is not enough work to warrant the need for an additional plumber." Clerk will forward a copy of this letter to both Brien Larsen and LeRoy Larsen

Culbertson State Agency expressed an interest in an insurance review and/or cost comparison. The council agreed to have Bruce Houle review the policy and bid.

Lawn Mower Rental Agreement. The Roosevelt County Fair Board would like to renew the Lawn Mower Rental Agreement. The council agreed to leave it the same as last year, \$25.00 for the first hour of use and \$15.00 for each additional hour thereafter. The Town will provide the lawn mower, labor, gasoline and maintenance.

Oil Spill. Hannes Car Care and Culbertson Implement have oil spills. They have been asked to clean this up and haul it to the landfill. Culbertson Implement will be demolishing the house south of the Implement. Clerk will let them know they need to file a demolition permit. Jim will talk to someone in the Sheriff's Department about the oil spills on town streets.

April 3, 1989 cont.

Lanfill. Milo Hansen from Sidney requested permission to go thru the landfill in search of aluminum. Council denied this request for liability reasons.

Jim reported that around the end of May-first of June the Property & Supply Bureau in Helena will have pick-ups and possibly trucks. He will be in contact with someone in Helena on this.

Clerk was instructed to send Alfred Heupel another bill for leased property rent.

Raedelle and Jim will draw up a lease for Lloyd Aspenlieder on property by the sewer lagoon.

There was a complaint about the old building on Bill Finnicum's property, and the danger of the building collapsing. Jim will talk to Bill about this.

Swimming Pool. The council selected the swimming pool staff for the 1989 season: Manager-Roxanne Nickoloff, Assistant Manager-Sharon Young, Lifeguards-Ron Reitz, Janet Peters, Faith Portra, Peni Gandrud, Jackie Peters and Lea Lindvig. Darin Peterson will be on the lifeguard call list if needed. Wages are \$5.00/hr. manager and \$4.50/hr. for assistant manager and lifeguards. Doug and Raedelle will write a job description for the manager and the council will review this. Council would like Roxanne to come to the May 1st meeting. Clerk will send letters to the applicants not selected for employment.

The council reviewed the applications for the maintenance position. Mayor Baldwin appointed a selection committee: Edwin Bertino, Dave Plummer, Larry Reitz, Gordon Miller and Jim Baldwin. The selection committee's first meeting will be Tuesday, April 4th at 6:30 p.m.

May 1, 1989. The Culbertson Town Council met in regular session with the following present: Edwin Bertino, Dave Plummer, Larry Reitz, Gordon Miller, James Baldwin, Greg Hennessy and Raedelle Aspenlieder. The minutes of April 3, 1989 were read and approved.

Evelyn Casterline, Women's Club Representative, asked the council for their approval of a kitchen shower for the "Community Center - Senior Citizen Center". They would like to try to get it more furnished in the kitchen so when you rent the hall you don't have to bring everything from home. The council approved and added it was a good idea.

Marylyn Weeks, Women's Club Representative, said they are interested in sponsoring an old fashioned 4th of July Celebration with dedication ceremonies for the park. There was some discussion on a fire works display. The council suggested they talk to the volunteer fire department and ask them for their help.

Nancy Hjelm and Ron Larsen attended. Attorney Greg Hennessy recently drafted an easement for the sewer line on the property they recently purchased, lot 2 block 17 Bruegger Second Addition. Brock and Nancy Hjelm would not agree to the paragraph stating "OWNER, its successors and assigns agrees not to build, create or construct or permit to be built, created, or constructed any obstruction, building, engineering works or other structures upon, over, or under the strip of land herein described or within 17½ feet of the centerline of the above described easement on the side opposite the house, or that would interfere with said sewer line or TOWN'S rights hereunder." After much discussion and talk of possible moving the sewer main, the council agreed to strike the above mention paragraph. Also, the foundation is 4 feet from the centerline. Attorney Hennessy will draft a new easement.

May 1, 1989 cont.

Surplus Property & Supply Bureau. Around the end of May the Surplus Property and Supply Bureau will come out with a list that should have some pick-ups to watch for. Could possibly purchase a pick-up for 20% less than last auction sale price.

City Gravel Yard. Doug said he is about out of gravel in the yard. There will be a contractor in the area soon with a crushing crew. Jim will talk to the contractor about the possibility and cost of getting some for the town.

Fire Hall. The Fire Hall list of materials to install an energy efficient furnace is available. Clerk has been instructed to contact Petrolane, Miller Oil and Culbertson Sheet Metal so they all have the opportunity to bid the job. Sealed bids will be opened at the regular council meeting on June 5, 1989.

Bids to install wire to pump receptable for water pump under the bridge were reviewed. Project will be given to low bidder, Culbertson Sheet Metal and Electric. Project should be done as soon as possible.

Reservoir. Director of Public Works, Doug Finnicum, discussed the report from Montana Salinity Control Assoc. on the reservoirs with the council. It was decided to drain the upper reservoir and let it dry out. This will be discussed again after it dries out.

Maintenance Worker Position. Jim reported for the selection committee. The vote was 3 to 2 in favor of Jerry Kozak. He will start on May 8, 1989. Comment was made that the council agreed the new man would start on May 1st not May 8th. Jim discussed the following with Jerry Kozak: 9 month probation, 8 hours per day, limited overtime, overtime at 1½ time reg. hourly rate, \$6.00/ hour pay, under Doug's supervision, explained payroll deductions-Social Security, PERS, Federal & State Tax, 10 holidays, performance appraisal, unemployment coverage. *no insurance coverage - health or life.*

Sewer Line. The main sewer line by Aldon Nichols was discussed. The council told Doug to install a swing check valve for now.

Discipline Handling Procedure. Jim re-worked the discipline handling procedure used by the State Highway Department. Raedelle will re-type this for council review at the June meeting. Jim plans to have personnel appraisals by the end of the summer.

Garbage Hauling and Landfill Contract. The current garbage collection contract expires June 30, 1989. Clerk will put ad in The Searchlight calling for bids on the garbage collection for a 3 year period and a seperate bid for the landfill maintenance contract. The ads will run for 3 weeks and due by 5:00 p.m. June 5, 1989 in Town Clerk's Office. Town will have the right to reject any and all bids.

Landfill Hours. Landfill hours for May are 1:00 p.m. to 6:00 p.m.

Bus Parking Signs. The school bus parking signs on the west side of the school were authorized and installed by the town. The school district needs to talk with the Town Council if they want these signs removed.

Swimming Pool. The 1989 season opening date is tentatively set for May 29th. Pool prices are \$1.00 individual ticket for one session, \$20.00 season ticket for one person and \$45.00 season ticket for a family. Council agreed

to issue complimentary tickets to Ken Forbregd family and Dale Wolff family if they will be doing the mosquito fogging again this year.

Summer Baseball Program. Sharon Salvevold, Summer Baseball Program Representative, submitted their budget and requested fund assistance from the town. Gordon Miller made a motion to donate \$240.00 to the summer baseball program 1989 season. Larry Reitz seconded the motion. All voted in favor of the motion. MOTION CARRIED.

Marge Rasmussen said the 4-H group is working on citizenship badges and they would like to do something to help the town. Doug said he could use their help with the bathrooms at the park as they need to be scraped and painted. Clerk will let Marge know Doug will line work up for them.

Senior Citizens. The Senior Citizens will be putting their congregate meals up for bids. If they were to have their meals cooked and served right in the Senior Citizen Center would there be an extra charge in addition to the \$50.00 per month. Council agreed there would be no extra charge.

Building Permits. Building permits were granted to Blanch Weinrich and Roosevelt Memorial Hospital.

Clerk let the council know the last day for filing declarations for nomination is 5:00 p.m. June 29, 1989.

Council reviewed the SID #11 assessments for 1990. They have been re-figured according to the debt load. Also reviewed were the receivables on SID #11 and number of bonds to be called and paid on 7-1-89.

Clerk shared a letter that Sidney sent to their property owners when a SID is paid off early. Council thought this was a good idea and could be sent out in early fall.

Harold Forbregd had a newspaper clipping from the City of Billings. Council reviewed the "Notice To Destroy Offending Weeds."

BARS Workshop. There will be a BARS Workshop in Sidney on Tuesday, May 9th. Council approved of Raedelle attending and Pat working in the office in the afternoon.

District Clerk's Meeting. There will be a district clerk's meeting in Sidney on Friday, May 12th. Clerk was given permission to attend and Pat will be in the office in the afternoon.

GJV'S. General Journal Vouchers #94, 95 and 96 were approved and signed.

Clerk will research the Cable TV franchise fee and due dates.

June 5, 1989. The Culbertson Town Council met in regular session with the following present: Dave Plummer, Larry Reitz, Gordon Miller, James Baldwin, Greg Hennessy and Raedelle Aspenlieder. Edwin Bertino was absent. The minutes of May 1, 1989 were read and approved with the addition of "no insurance coverage-health or life for the maintenance worker position."

Volunteer Fire Dept. Lloyd Aspenlieder represented the Volunteer Fire Department. The fire department would like to purchase 1000 feet of 5" diameter suction hose. This hose would hook-up directly to the hydrant and then to the truck. This would be helpful in fighting large fires and at the hospital if there were a fire. If the fire department committed to purchasing 700' in a 2 year period, 1/2 of the amount could be paid the first year and the other 1/2 the second year with no interest. The hose comes in 100' sections and the cost is \$7.50/foot plus would need between \$700-800 for fittings. The council said they would have to see what the balance in the fund was after the furnace job was done at the fire hall. The fire department should include this in their budget proposal for FY 1989-90.

There was discussion on running approximately 300' of 8" water main on the east side of the hospital and installing a hydrant. Doug will get cost estimates for this.

Robert Bell asked if there was a Local Access Channel available thru the cable tv company. He said this would be nice for fire safety education as well as other local events. We'll check with the cable company on this.

Robert Bell would like the council to consider requiring new construction on residential houses to install 1 1/2" water service lines instead of 3/4". The reason is that if fire sprinklers will be installed in the home it is necessary to have at least 1" service line and better yet 1 1/2" line. The council said they would discuss this with new home builders at the time the building permit is being reviewed.

Robert Bell asked if the town had an emergency response plan. The fire department should be informed. Jim said Dan Sietsema was organizing this. Jim will talk to Laverne Schledewitz about this.

Hospital. Ken Forbregd inquired for the hospital about the road on the east side of the hospital. He wondered if this was a town street. Clerk will research original plat.

Alvin Lien inquired about the possibility of getting a 1" meter. He would have to pay the cost difference from regular meter to 1" meter, about \$50.00. Alvin said he would let Doug know when he wanted one.

Tools-Furnish Pick-Ups. Gordon Miller made a motion to purchase the necessary tools to furnish both town pick-ups. Larry Reitz seconded the motion. Voting in favor of the motion: Gordon Miller, Larry Reitz and Dave Plummer. Absent and not voting: Edwin Bertino. MOTION CARRIED. Doug will make the list up and compare Gambles and Culbertson Supply for prices.

Jim said Doug Johnson, employee of Cascade County Weed District in Great Falls, would look for a 2 Ton Truck for the Town of Culbertson. May be able to get one for around \$1400.

There are many lots in need of mowing. Clerk was instructed to send letters giving property owners 10 days to mow their property or the Town will and bill them.

June 5, 1989 cont.

Jim informed the council a U-Turn allowed sign has been ordered and will be installed at the south end of main.

Vehicle Impound Fees. Larry Reitz made a motion to adopt Ordinance #167 establishing vehicle impound fees. Gordon Miller seconded the motion. Those voting in favor of the motion: Larry Reitz, Gordon Miller and Dave Plummer. Absent and not voting: Edwin Bertino. MOTION CARRIED.

Cable TV Franchise Fee. Attorney Greg Hennessy will draft an ordinance for the cable tv franchise fee of 1% of gross annual revenue.

Council agreed to credit Vernon Young \$15.68 on sewer.

Building Permits. Building permits were granted to Jim Rowe, Cap Hodges, Larry Bergum, Jeff Mahlum, Homer Thorson, Robert Gustafson and Culbertson School.

Mayor Baldwin will attend the Public Hearing on the Burlington Northern Depot on June 13, 1989 at 9:00 a.m. A letter from Gene Vannatta, Culbertson Implement Owner-Manager, requesting town council support at this meeting was shared with the council.

Gordon Miller made a motion to adopt Resolution #255 endorsing the construction of a magnetohydrodynamic retrofit of the J.E. Corette Plant in Billings, Montana and authorizing the City of Culbertson to participate with other interested parties to ensure that the retrofit is constructed. Larry Reitz seconded the motion. Voting in favor of the motion: Gordon Miller, Larry Reitz and Dave Plummer. Absent and not voting: Edwin Bertino. MOTION CARRIED.

Garbage and Landfill Bids. Bids for the garbage hauling contract were received from Lynn Labatte. Bids for the landfill maintenance were received from Lynn Labatte. Dave Plummer made a motion to accept the bid of \$31,920.00 for the garbage hauling contract and the bid of \$10,200.00 for the landfill maintenance contract both from Lynn Labatte for a three year period. Gordon Miller seconded the motion. Those voting in favor of the motion: Dave Plummer, Gordon Miller and Larry Reitz. Absent and not voting: Edwin Bertino. MOTION CARRIED.

Fire Hall Furnace Bids. Bids for the furnace and duct work at the fire hall were opened. Culbertson Sheet Metal bid \$2,651.00 and Miller Oil Co. bid \$2,420.57. Larry Reitz made a motion to accept bid from apparent low bidder-Miller Oil Co. Dave Plummer seconded the motion. Voting in favor of the motion: Larry Reitz and Dave Plummer. Not voting: Gordon Miller. Absent and not voting: Edwin Bertino. MOTION CARRIED.

GJV'S. General Journal Voucher #97 was approved and signed.

D.O.C. Maintenance Contract. Gordon Miller made a motion to enter into a maintenance contract for FY 1989-90 for area workshops with the Department of Commerce. Dave Plummer seconded the motion. Voting in favor of the motion: Gordon Miller, Dave Plummer and Larry Reitz. Absent and not voting: Edwin Bertino. MOTION CARRIED.

The Montana League of Cities and Towns have scheduled District Legislative Meetings in Eastern Montana for June 6, 7 and 8. The council left it up to Mayor Baldwin if he wanted to attend.

June 5, 1989 cont.

Lynn Labatte said the landfill contract bid was bid with the same idea in mind that the county would stock pile the dirt used to cover, as they have in the past.

Gene Vannatta stopped in and requested the support of the Town Council at the Public Service Hearing on the Burlington Northern Depot scheduled for Tuesday, June 13th at 9:00 am Mayor Baldwin plans to attend.

The next regular meeting for the Culbertson Town Council will be July 10th due to Monday, July 3rd being a holiday and the 4th of July holiday. Clerk will put a notice in the paper.

Budget meetings for FY 1989-90 will be starting after July 10th. More specific dates to come at the July 10th regular meeting.

Clerk shared some information and pricing on computers and software. Council asked clerk to get prices from a couple different places.

July 10, 1989. The Culbertson Town Council met in regular session with the following present: Edwin Bertino, Dave Plummer, Larry Reitz, Gordon Miller, James Baldwin, Greg Hennessy and Raedelle Aspenlieder. The minutes of June 5, 1989 were read and approved.

Swimming Pool. Closing date for the swimming pool is Tuesday, September 5, 1989. This date is subject to change depending on the weather and availability of employees.

Public Service Hearing. Larry Reitz reported on the Public Service Commission hearing on the Burlington Northern depot held on June 13th.

Volunteer Fire Department. Robert Bell represented the volunteer fire department. The department submitted a bill for approval and payment for 550' coupled 5" large diameter hose and necessary fittings in the amount of \$5032.00. Heiman, Inc. will ship an additional 500' of hose if the commitment is made to purchase the additional amount within the next 6 months. The additional order will be at the same price and there are no other charges for interest or delayed billing. Delivery of the entire order will be approximately 6 weeks. The council approved the \$5032.00 bill for payment. Robert Bell also submitted the 1989-90 FY proposed budget. Council asked that the department prioritize their budget.

Volunteer Fire Department. Edwin Bertino made a motion to adopt a resolution to direct the Culbertson Volunteer Fire Department Chief to remove all alcoholic beverages from the premises. Larry Reitz seconded the motion. All voted in favor of the motion. MOTION CARRIED. Attorney Greg Hennessy will draft the resolution.

July 10, 1989 cont.

Bus Parking Zone. Arnie Iverson said the bus parking zone on the west side of the school could be shortened. Doug will meet with Arnie on this and move the sign.

Arnie Iverson asked if he needed a building permit to change the roof on his house from flat to peaked. Council said no.

Lloyd Aspenlieder Lease. Council agreed to let Lloyd Aspenlieder lease pasture land at no charge for one more year (FY 1989-90) and begin charging \$10./acre/year on 7-1-90.

Pool. There was discussion about landscaping on the west side of the swimming pool. Doug will ask Tom Marchwick if he can take his fence down to slope the ground then put the fence back up.

Park. The length of time campers are allowed to stay in the park was discussed. Council decided not to act on this at this time. The Sheriff's Department will be asked to suggest to campers to move along after 3 consecutive days. Having plug-ins at the park was mentioned, but the council was not interested in this.

Clerk will call County Junk Vehicle Department again in July regarding the vehicle by the lagoon.

Impound Vehicles. Council discussed the vehicles hauled ~~to~~ to the town gravel yard by the Sheriff's Department. Council does not want the vehicles in the gravel yard. Clerk to write Sheriff Grainger a letter telling them to move the vehicles that are in the gravel yard at this time and suggest they put them by the county shop area.

Primary Election. Larry Reitz made a motion to adopt a resolution that it has been determined a primary election need not be held according to section 13-14-115 (3) of the Montana Code Annotated. Edwin Bertino seconded the motion. All voted in favor of the motion. MOTION CARRIED.

Council reviewed letter from Culbertson State Agency stating they would not be presenting a quote for property and auto insurance as our present carrier, New Hampshire, has the better value for us.

Building Permits. Building permits were granted to Henry Lannen, Muriel Park and Dick Hinderer. An extension on a previous permit was given to Dave Plummer.

GJV's. General Journal Vouchers #98, 99 and 100 were approved and signed.

Council agreed to donate the \$1000. to the Centennial Park Committee at this time.

The first budget meeting has been set for July 20th from 7:00 - 10:00 p.m.

The streets on the east and west side of the hospital were discussed. Attorney Greg Hennessy will research rules and regulations for Town creating a SID on its own without approval of property owners and emergency paving.

Sewer Lines. Problem sewer lines were discussed. Doug will submit cost figures, for budget purposes, to vapor root problem lines.

July 10, 1989 cont.

Council said it was O.K. for Darcy Anderson to fill in as assistant manager.

Landfill. Lynn said he has been asked to put aside bicycles, tricycles and wagons that have been hauled to the landfill. This man repairs them and gives them away. He said he would pick-up once per year. Council said this was O.K. if Lynn <sup>wanted</sup> ~~wanted~~ to mess with it. Landfill hours are from 1:00 - 8:00 p.m. at this time.

Cemetery Plot. Cemetery plot map was reviewed and there was a request to set aside an area for urns and headstones. Jim Baldwin will survey for this in the fall.

August 7, 1989. The Culbertson Town Council met in regular session with the following present: Edwin Bertino, Dave Plummer, Larry Reitz, James Baldwin, Greg Hennessy and Raedelle Aspenlieder. Absent: Gordon Miller. The minutes of July 10th, 20th, 25th and 27th, 1989 were read and approved.

Sheriff's Department. Sheriff John Grainger, County Commissioner Lavern Schledewitz and 2 deputies talked with the town council prior to the opening of the meeting. Sheriff Grainger was informed by the County Commissioners that his department budget had to be cut. Grainger cut the department staff by 4 men. The cut is effective August 31, 1989. At the present time Culbertson is only paying about 6% of the sheriff contract, Poplar is paying 40% and Wolf Point is paying 80% according to Grainger. After the cuts the area will be manned as follows: Culbertson, Bainville, Froid area - 2 men, Poplar - 2 men, and Wolf Point - 5 men. Grainger figured that each town would be paying about 80% of their sheriff contract after the cut. Lavern Schledewitz said each person in the county would have to pay approximately \$62.40 just to cover the Sheriff Departments budget alone. This was according to the population figures Lavern had.

Senior Citizens. Louise Cooper attended on behalf of the Senior Citizens. She was interested in the air conditioning bids. The bids were as follows: Miller Oil Co. bid \$1529.52 for a 3 ton central air unit - installed; Culbertson Sheet Metal and Electric bid \$2080.00 for a 3 ton coil blower assembly, 3 ton condensor, transition, roof curb for unit, line set, return air grill, all electrical, thermostat and base and labor. Dave Plummer made a motion to accept bid from apparent low bidder Miller Oil Co. for \$1529.52. Edwin Bertino seconded the motion. Those voting in favor of the motion: Dave Plummer, Edwin Bertino and Larry Reitz. Absent and not voting: Gordon Miller. MOTION CARRIED.

Budget 1989-90 FY. Larry Reitz made a motion to adopt Resolution No. 258 setting the All-Purpose General levy 78.95 mills, Library 2.95 mills and Public Employees Retirement System .92 mills for a total of 82.82 mills for fiscal year ending June 30, 1990. Dave Plummer seconded the motion. Those voting in favor of the motion: Larry Reitz, Dave Plummer and Edwin Bertino. Absent and not voting: Gordon Miller. MOTION CARRIED.

School Sewer Rate. School clerk, Dorothy Anderson discussed the sewer rate for the school with Mayor Baldwin. She felt the school should get a break because they are watering lawns and trees. Council said they are on the commercial rate and could not make an exception to the sewer charge.

Cable TV Franchise Fee. Council confirmed the Cable TV Franchise Fee Ordinance to be paid effective July 1, 1989 and paid every 30 days.

Landfill. Lynn reported the landfill would need a new pit before winter was out. Lynn also gave clerk a list of property owners that need to trim trees and/or hedges so the garbage truck can pass by safely. Clerk will give property owners 10 days to take care of the problem or the town will and they will be charged. Lavern Schledewitz said <sup>Poplar</sup> Poplar is having landfill problems and wanted to know if the Town Council was interested in hearing what <sup>Poplar</sup> Poplar council has to say. Town Council was not interested. Landfill hours are 1:00 - 8:00 p.m.

Cleaning Contract. Bev Raaum resigned her cleaning contract for the Town Hall effective September 1, 1989. Bev said she would clean the park bathrooms next season if the council wanted her to. Council said they would like Bev to clean the park bathrooms again next season but would like to discuss the contract amount with her. Council also decided to let the Jacob's boys clean the Town Hall beginning September 1, 1989 for \$50.00/month.

August 7, 1989 cont.

Senior Citizen Piano Tuning. Council decided not to have the piano in the Senior Citizen Center tuned at this time.

Clerk will forward a Gambles invoice to Sharon Salvevold that was charged to the town for paint & brushes in the amount of \$59.06 for park improvements.

Landfill Crawler. Depreciation of the landfill crawler should be figured on a 7 year period.

National Guard Shop Addition. Olson Plumbing called and wanted to know about town fees for a plumbing permit for water and sewer for the addition to the National Guard Shop. There will be 3 sumps and 2 baths in the addition. Council said there would be a \$150.00 charge for new sewer line tap and this is the responsibility of the property owner. They also asked about cost to repave dug up streets. There is no paving where they will be digging so they don't need to be concerned.

There was a complaint that someone is dumping grass clippings at the end of 3rd street west on the other side of the fence. This is messy now and causes a snow problem in the winter. Council decided the problem would resolve itself.

Clerk informed the council the estimated arrival date for the computer, October 22nd. Original date was first part of September.

Building Permits. Building permits were granted for Ted Williams and Jerry Kozak.

Fire Relief Association. Council noted the June 30, 1989 balances of the Fire Relief Association. The town is not required by law to levy any mills for FY 1989-90 according to the balances.

Office Help. Sande Wix helped in the office August 2nd, 3rd and 4th as Pat Rowe was out of town. Council agreed to pay Sande \$4.00/hour. Clerk can call Pat or Sande to help out.

Ambulance Fund. Edwin Bertino made a motion to close the Ambulance Enterprise Fund to an Ambulance Trust Fund. Larry Reitz seconded the motion. Those voting in favor of the motion: Edwin Bertino, Larry Reitz and Dave Plummer. Absent and not voting: Gordon Miller. MOTION CARRIED.

GJV's. General Journal Vouchers #101 and 102 were approved and signed.

Paving South End of 5th Ave. E. Paving one block at the south end of 5th avenue east was discussed. Property owners on that block are Rick Stuber, Bernie Finnicum, Brock Hjelm and Joe Reynen. Jim gathered the following information: need 300 ton asphalt at \$40./ton for a total of \$12,000. this is the cost figured on the base having already been prepared; 6 inches would have to come off the top of the street now; Jim will set grade stakes. Doug will get a bid from Allen Pedersen on grading this block. After cost from Pedersen is received, Jim will talk to each of the property owners about the total cost to them and see who is in favor of this before the council acts on a Special Improvement District.

Building Rent. Dave Plummer would like to rent the old pumphouse to store tires for \$100.00/year. Edwin Bertino made a motion to accept the rent offer from Dave Plummer for \$100.00/year for the old pumphouse. Larry Reitz seconded the motion. Those voting in favor of the motion: Edwin Bertino and Larry Reitz. Absent and not voting: Gordon Miller. Abstaining: Dave Plummer. MOTION CARRIED.

August 7, 1989 cont.

Doug said the dump truck<sup>k</sup> needs repairs and new tires all around. Council told Doug to get bids for tires from all stations in Culbertson and to fix up the truck. This will be paid out of Federal Revenue Sharing Fund.

September 5, 1989. The Culbertson Town Council met in regular session with the following present: Edwin Bertino, Dave Plummer, Larry Reitz, Gordon Miller, James Baldwin, Greg Hennessy and Raedelle Aspenlieder. The August 7, 1989 minutes were read and approved with the following amendment: Lavern Schledewitz said the Fort Peck Tribe is having landfill problems and wanted to know if the Town Council was interested in hearing what the Tribe has to say.

Swimming Pool. Roxanne Nickoloff, pool manager, reported all went well at the pool this season. The pool closed 9-5-89 and she will have a list of necessary repairs for Doug.

Lynn Monson, water safety chairman for Roosevelt County, shared information on the lifeguard requirements to be effective December 1990. Lynn plans to be certified herself so she can train the lifeguards in Culbertson so they don't have to travel to Sidney. Lynn also explained more about her job and how she can be of assistance to the Culbertson Pool.

Sharon Young, assistant pool manager, attended to hear what Lynn had to say.

Landfill. The council reviewed the landfill inspection report from Jon A. Dilliard and old landfill site reclamation report.

A New pit has been staked out at the landfill and will be dug by the county soon.

Cleaning Contract. Gordon Miller made a motion to accept cleaning contract price for park bathrooms for the summer of 1990 at \$40.00/month for Bev Raaum.

Larry Reitz seconded the motion. All voted in favor. MOTION CARRIED.

Property and Auto Insurance. Council reviewed the property and auto insurance policies from Seitz Insurance for FY 1989-90.

Computer Software License Agreement. Attorney Greg Hennessy will review the Diversified Computing Software License Agreement prior to the Mayor signing it.

Authorized Budget Transfers. Larry Reitz made a motion to approve authorized budget transfers for year ending 6-30-89. Edwin Bertino seconded the motion. All voted in favor. MOTION CARRIED.

GJV'S. General journal vouchers #103, 104 and 106 were approved and signed.

Building Permits. Building permits were approved for Doug McCormick, Les Hallgrimson, Ed Hallgrimson and Chris Boysun.

September 5, 1989 cont.

Sewer Rate. Modern Aire Flight Service requested a break on the sewer rate at the airport office as they are watering the grass at the city/county airport. Council denied the request as all commercials need to be treated the same. Clerk will correct the sewer rate at Clayton-Everson Memorial Chapel.

Fire Dept. Council read the letter from Culbertson Volunteer Fire Department Secretary, Lloyd Aspenlieder.

MMIA. Council looked over the claims experience report for July 1989 from Montana Municipal Insurance Authority.

Tree Trimming. Two property owners did not trim their trees as requested. Doug and Jerry will trim the trees at Frank Tlustosch's and Raymond Marron's and they will be billed.

IBM Maintenance Option. Council discussed the maintenance options on the IBM Computer. Raedelle will get more information then discuss it with Gordon and a decision will be made on which option to take.

Audit Report. Council examined the audit report for fiscal years ended June 30, 1987 and 1988. Raedelle will let Attorney Greg Hennessy know what has been done in regards to the Department of Commerce recommendations.

Sand Creek Sub Division. Attorney Greg Hennessy will see what stage the annexation of Sand Creek Sub Division is in.

Landfill. Landfill hours at this time are Monday and Saturday from 1:00 - 7:00 p.m. Lynn would like a note in the paper asking people to either box or bag their garden remains. Also people need to be reminded to tarp their loads.

Library. Mayor and Council received a letter of resignation from Eleanor Baldwin, Librarian of Culbertson Public Library, effective October 1, 1989.

Rural Water Association. Dave Plummer made a motion to join the Rural Water Association. Larry Reitz seconded the motion. All voted in favor. MOTION CARRIED. Raedelle will check into the group insurance they offer to members.

Council decided to give Dean Larsen dinner for 2 at the Wild West Diner for his volunteer work on cleaning and painting the curbs.

October 2, 1989. The Culbertson Town Council met in regular session with the following present: Edwin Bertino, Larry Reitz, Gordon Miller, James Baldwin, Greg Hennessy and Raedelle Aspenlieder. Absent: Dave Plummer. The September 5, 1989 minutes were read and approved.

Harold Forbregd and 5 boy scouts attended the meeting as they are working on a badge.

Lavern Schledewitz said Fort Peck Tribal members showed County Commissioners a plan for a county landfill, but have not come up with a financial plan yet.

Mayor Baldwin reported that he discussed the commercial sewer rate with Dennis Elgen and the reasons the council could not grant his request for a break on the sewer rate at Modern Aireflight Office. Clerk had sent Mr. Elgen a letter prior to this discussion.

Mayor Baldwin reported that he attended the Nursing Home Olympics in Williston on September 22, 1989, a representative for Culbertson and Roosevelt Memorial Nursing Home. Jim commented it was an interesting and fun day. Other nursing homes participating were Crosby, Sidney, Williston and Noonan.

October 2, 1989 cont.

Landfill Fees. Clerk was asked to draft ordinance #168, adding the breakdown and cost of hauling material in cubic yards to the landfill. The first reading will be at the November 6th council meeting. Fees to be:

0 - 50 cubic yards \$3.00/cubic yard

RA. 5/ ~~50~~ - 75 cubic yards \$3.50/cubic yard

~~76~~75 - 150 cubic yards \$4.00/cubic yard

Arrangements will have to be made with Lynn if soil hauled to the landfill needs to be aerated. A permit will be required prior to hauling.

Sand Creek Sub-Division. The Sand Creek Sub-Division was discussed. Attorney Gred Hennessy requested Raedelle to find out 1. Whether or not a certified copy of the annexation order was signed by past clerk Viola Gustafson and sent to the County Clerk & Recorder, 2. Check the minutes to see if the ordinance was passed, 3. See if the following were taxed in town limits - Parcel #1 12.14 acres and Parcel #2 3.26 acres. The above would probably be in 1981.

Old Dump Site. Larry Reitz plans to inspect the old dumpsite.

Landfill. Lynn reported on the monitoring wells at the landfill - #1 & #2 have 3/4" and 1/2" respectively mud at bottom and #3 dry.

Library. Edwin Bertino reported Karen Baxter has been hired as the Librarian at the Culbertson Library to replace Eleanor Baldwin and Sheryl Oelkers as assistant librarian.

Mayor Baldwin reported he sent a letter on the Town's behalf in response to the recently announced plan of the Montana Department of Highways in regards to the Montana Principal Arterial System of Highways. The present plan is to exit Montana thru Fairview, abandoning the Sidney-Culbertson section of Highway #16. The present plan would only save 24 miles. Jim said that portion of Highway #16 north of Glendive should proceed north through Sidney, Culbertson and Plentywood to the Canadian border. The primary reason for this plan is because of the newly declared International Port of Entry to Canada established at Raymond, which offers 24 hour passage and inspection into that country.

Software License Agreement. Attorney Greg Hennessy will let Raedelle know his opinion on the Diversified Computing Software License Agreement.

Landfill. Lynn reported the landfill hours at this time are from 1:00 - 6:00 pm Mondays and Saturdays.

Underground Fuel Tank Storage. Mayor Baldwin received much information on underground fuel tank storage and copies can be picked up at the clerk's office.

Building Permits. Building permits were approved for Jim Wix, Henry Kilsdonk and Bob Jasper.

GJV's. General journal voucher #107 was approved and signed.

There was a complaint again about the grass clippings being dumped at the west end of 3rd street. The complaint is the mess now and snow problem it will cause in that alley this winter. Doug will move the grass clippings and talk to the party dumping them there.

The code on Regulating Solicitors, Peddlers, Etc. was discussed and decided to leave it as is.

J. H. Baldwin  
Mayor

November 6, 1989. The Culbertson Town Council met in regular session with the following present: Edwin Bertino, Dave Plummer, Larry Reitz, Gordon Miller, James Baldwin, Greg Hennessy and Raedelle Aspenlieder. The October 2, 1989 minutes were read and approved with a correction on Landfill Fees to read 51 - 75 cubic yards and 76 - 150 cubic yards.

A \$20.00 bill from Nute Anklam for cleaning up grass clippings was approved for payment.

Old Dumpground. Council asked Doug to make arrangements with Lynn for a spreader to apply some additional seed to the old dumpsite.

Sheriff Dept. The sheriff department has recently been able to use the copy machine in the Montana Highway Department Office.

Cemetery. Mayor Baldwin and Edwin Bertino surveyed and marked with brass monuments, a spot at the cemetery for urns. This is 250' long and approximately 9' deep. Each space is 3' square. Clerk was asked to call someone on the cemetery committee and ask them to attend the December meeting. The council and cemetery committee should think about 1) what should be charged for these 3' square urn spaces, 2) size limit for stones and 3) requiring the stones to be flush with the ground. Jim and Edwin also noticed the number of mortuary markers that should be taken out if the headstone is there.

Lavern Schledewitz said the county commissioners sent requested information on the amount of garbage in Roosevelt County to Circle.

Landfill. Landfill hours at this time are from 1:00 - 4:00 p.m. Monitoring wells report #1 1¼" water, #2 mud at bottom and #3 dry. A replaceable water filter will be installed on the crawler.

Centennial Drive Sub-Division. Clerk was asked to find annexation resolution on Centennial Drive Sub-Division.

Roosevelt County Treasurer Abatement. Council decided not to have Greg pursue the county treasurer abatement on property for SID #6 and Lighting Assessments.

Cable TV Franchise Fee. Clerk was instructed to write Premiere Cable Services a letter in regards to the monthly franchise fee that has not yet been paid.

Council approved static control floor mat.

Landfill Fees. The first reading on Ordinance #168 Adding to Section 7.02071 Solid Waste Landfill Fees of the Culbertson Town Code, adding the cost of hauling material in cubic yards to the landfill was approved with the addition of d) Material is subject to State and Federal regulations and approval of landfill monitor, as designated by Town Council.

No Smoking in Town Hall. Council agreed a no smoking policy in the Town Hall, Clerk's Office and Community/Senior Citizen Center, was in order. Clerk will inform renters of this policy and put this on the rental sheet. Also, signs will be posted.

Building Permits. Building permits for Larry Bergum and Culbertson State Bank were approved.

November 6, 1989 cont.

Pool Questionnaires. Edwin Bertino reviewed swimming pool questionnaires. Doug will also review these to get a list of necessary repairs.

Edwin Bertino  
Mayor

December 4, 1989. The Culbertson Town Council met in regular session with the following present: Dave Plummer, Larry Reitz, Gordon Miller, James Baldwin, Greg Hennessy and Raedelle Aspenlieder. Absent: Edwin Bertino. The November 6, 1989 minutes were read and approved.

Donald Loomer with Webster, Foster & Weston talked with the council about the abilities of their firm.

Remi Bidegaray represented the FFA Chapter. They are working on a community service project - Building On American Communities - and would like to put up a Welcome sign outside of town in all 4 directions. Council told Remi they needed to contact the Montana State Highway Department. Jim will get name and address.

Cemetery. Roy Lemieux represented the Cemetery Committee. Roy and the council discussed the urn plots at the cemetery. Stones will be required to be flush with the ground and each 3'x3' plot will cost \$15.00. Jim and Roy will measure other stones for a good size limit. Council will put cemetery rules and regulations in ordinance form in the near future. Another item to be addressed in the ordinance is the monument marker, which is a temporary marker, must be removed once the headstone is in place. Monument markers are a nuisance to mow around and are not necessary once the headstone is in place. Roy also said there is need for more dirt on the crossroad at the cemetery this spring.

Landfill. Monitoring wells report from the landfill are 3/4" water in #1, #2 & #3 are dry. Landfill hours at this time are from 1:00 - 3:00 p.m. Second and final reading on Ordinance #168 adding to section 7.02071 Solid Waste Landfill Fees of the Culbertson Town Code, adding the cost of hauling material in cubic yards to the landfill. Dave Plummer made a motion to adopt Ordinance #168. Larry Reitz seconded the motion. Those voting in favor of the motion: Dave Plummer, Larry Reitz and Gordon Miller. Absent and not voting: Edwin Bertino. MOTION CARRIED.

Sidewalks. Council discussed sidewalk ordinances and liability risks. A letter and sample ordinances were received from Bob Worthington with MMIA. Attorney Greg Hennessy will prepare an ordinance that addresses bad areas for the council to consider. There was a complaint about the sidewalk on the north side of the downtown armory. The water runs off the roof onto the sidewalk and causes a sheet of ice. Clerk was asked to write the school a letter about this and the mayor will sign the letter.

A no dumping sign will be put at the west end of 3rd <sup>street</sup> ~~avenue~~ west.

Mayor Baldwin had information on putting signs up on main street as it is a State Highway. The town can request permission from the highway department to install a sign, the town would buy the sign.

Sheriff Department. At the November 6th meeting Sheriff Grainger assured the council he would have law enforcement radar 3rd avenue east, but to the best of the council's knowledge, this has not been done. Clerk was asked to draft letter to Sheriff Grainger about this and expect a reply. Mayor Baldwin will sign the letter.

Cleaning Contract. Paul Jacobs resigned his cleaning contract. Contract has been given to Raedelle. She will monitor the cleaning hours for a couple months.

Due to the holidays, the next regular meeting will be January 8, 1990. At this meeting Mayor Baldwin, Councilmen Dave Plummer and Gordon Miller will all be sworn in for another term. Also the City Judge will be re-appointed.

Garbage Rates. Due to increased garbage costs and less incoming revenue, the

December 4, 1989 cont.

garbage rate needed to be increased. Gordon Miller made a motion to raise the garbage rate \$1.00 for all customers effective December 31, 1989 bills. Larry Reitz seconded the motion. Those voting in favor of the motion: Gordon Miller, Larry Reitz and Dave Plummer. Absent and not voting: Edwin Bertino. MOTION CARRIED. Clerk will put a notice in the paper about the increase.

Clerk has been instructed to write Dennis Elgen a letter and ask him to come to the January 8, 1990 meeting to discuss airport repairs and maintenance that may be needed in the future.

Jeff Nickoloff wrote Dave Plummer a letter. Jeff asked Dave if he had any suggestions of what he could do to improve the community and town. Doug will get a list for Dave so he can respond to Jeff's letter.

The Women's Club is having their annual chili cook-off on December 16th with the proceeds going to the swimming pool. The council and mayor will enter the contest. Raedelle will make the chili and they will come up with a theme and serve.

Overhead Heater. Three bids were received on the overhead heater. Bids were from Don Johnson \$140.00 - Medicine Lake, William Balbinot \$106.00 - Wolf Point, and Jim Rowe \$110.00 - Culbertson. Dave Plummer made a motion to reject all bids and re-advertise. Larry Reitz seconded the motion. Those voting in favor of the motion: Dave Plummer, Larry Reitz and Gordon Miller. Absent and not voting: Edwin Bertino. MOTION CARRIED.

GJV'S. General journal vouchers #108, 109, 110, and 111 were approved and signed.

Council reviewed a price list from Randy Erickson - Mon-Dak Fire Detection. At the present time we are receiving scheduled service from Thilmony's Fire Extinguisher Sales & Service in Sidney. If new equipment is purchased the two companies will be compared.

The council noted the canvass of votes cast at the Municipal General Election held in Culbertson on the 7th day of November, 1989.

The Department of Labor & Industry, Division of Workers' Compensation inspected the workplace under the town's operation, ownership or control and disclosed conditions which fail to comply with provisions of the Montana Safety Act. The recommendation was that an instrument for determining air quality (sniffer) be purchased and used before entering a confined place. Gordon Miller recommended that the town purchase a sniffer. All were in favor of this recommendation, except Edwin Bertino who was absent.

Handicapped Parking. The Senior Citizens requested one car length additional handicapped parking in front of the Town Hall. The council decided they would put handicap parking to the south corner in front of the library. The painting and sign moving will be done this spring.

The stop sign on the corner of 3rd street and 1st avenue west was painted on Halloween. The sheriff's department is aware of this and they have submitted the required report. Council decided not to replace the sign at this time.

Computer Software. Clerk expressed dissatisfaction with Diversified Computing. ~~Also council reviewed a proposal from Utility Billing Specialist, Inc. Council felt if Diversified wasn't satisfactory now it could get worse. Dave Plummer made a motion to terminate the license agreement with Diversified, and accept the proposal from Utility Billing Specialist, Inc.---Gordon Miller seconded the motion.---Those voting in favor of the motion:---Dave Plummer, Gordon Miller and Larry Reitz.---Absent and not voting:---Edwin Bertino.---MOTION CARRIED.~~ Council reviewed a proposal from Utility Billing Specialist, Inc. that is ready to go off of the shelf. Council accepted the proposal from Utility Billing Specialist, Inc. Gordon Miller seconded the motion. Those voting in favor of the motion: Dave Plummer, Gordon Miller and Larry Reitz. Absent and not voting: Edwin Bertino. MOTION CARRIED.
